

Mission Trip Donation Form

June/2017

Please complete only if you wish to receive a tax deduction for your donation.

Contributions to our General Missionary Fund ARE considered tax deductible eligible. But, according to IRS Publication 526 on Charitable Contributions, donations for a "specific person" (to go on a mission trip) are considered gifts and should NOT be listed on a donor's contribution statement as a tax deduction. **However, it is possible for you to donate to the General Missionary Fund (tax deductible eligible), while indicating that you "prefer to support" a specific person.** This is how that works. In order for a donation to be considered tax deductible eligible, the IRS requires that you agree to give up control of your funds in the event Revival Harvest Ministry needed to use the funds for other mission trip related purposes. In other words, you can let us know that you "prefer to support" a specific person, but you cannot require this (if you want a tax deduction statement). Just to let you know, to date, Revival Harvest has always directed 100% of requested funds for a specific person as requested, and we intend to continue doing so.

If being tax deductible is not important to you, you do not need to use this form. Simply write the person's name you want to fund in the memo of your check. Your donation will be directed "as *required*" but your gift will not be considered tax deductible. If you want a tax deduction, do Not put the person's name on the memo of your check (this would void your ability to take a tax deduction).

If you wish to receive a tax deductible contribution statement for your donation, please initial this statement and fill in the portion below:
